

A photograph of a cigarette with a large, dark pile of ash at its base. The cigarette is positioned diagonally, with the filter pointing towards the bottom left. The ash is scattered across the white background, with some larger clumps and many small particles. The title 'NIC-STICK' is overlaid in large, bold, black capital letters, with the cigarette's filter acting as the letter 'I' in 'STICK'.

# NIC-STICK

**(Colloquial),  
a cigarette**

**A play by Jack Hibberd**
